Attendance Policy

To receive credit or a final grade in a class, a student must attend at least 90 percent of the days the class is offered. A student who attends at least 75 percent but fewer than 90 percent of the days the class is offered may receive credit or a final grade for the class if he or she completes a plan approved by the principal that allows the student to fulfill the instructional requirements for the class.

Make-up Policy

Students will make up assignments and performance assessments after absences with the following requirements. If the assignment was made prior to the student's absence, the assignment will be due the first day that the student returns to the campus. If the assignment was made during the student's absence, the student will have the same number of days to complete the work as other students had who were present on the day that the assignment was made.

Academic Dishonesty Policy

Scholastic dishonesty, involving but not limited to cheating on a test, plagiarism, collusion, or falsification of records will make the student liable for disciplinary action after being investigated by the Dean of Students. Proven violations of this nature will result in the student being dropped from the class with an "F".

This policy applies campus wide, including TC Testing Center, as well as off-campus classroom or lab sites, including dual credit campuses. This information can be found in the College Catalog/Student Handbook at <http://www.texarkanacollege.edu/wp-content/uploads/2012/10/2013-2014-Texarkana-College-Catalog.pdf>.
