## Clock-to-Credit Hours

Effective January 14, 2013, Texarkana College Cosmetology was approved by TDLR to use credit hours instead of clock hours to report to TDLR. Students will now be required to receive 27 semester credit hours, equaling two semesters for day and four semesters for night students to graduate. Students will still be required to clock in and out as a means to track student attendance. Students are required to pass each course and attend each semester in full before students can graduate and/or have hours released to TDLR to schedule testing for licensing. Students who withdraw, or drop for attendance or disciplinary reasons will receive the cumulative clock hours from enrollment date to drop date and will not receive credit for courses enrolled in.

## Class Schedule

All students are expected to complete 27 SCH in two semesters for full-time day students and four semesters for part-time night students. There is no financial aid for additional time needed to complete the program.

## Program Hours

Texarkana College Cosmetology is open 5 days a week Monday through Friday.

### Full-Time Days

Monday-Friday 8:00 a.m.-4:00 p.m.

### Part-Time Evenings

Absences that exceed this number after the drop day may result in the student receiving an "F" in the program for that semester.</p> <p>Three tardies count as one absence.</p> <p>You are considered tardy from the designated class start time through the first 15 minutes of class. After that you will be counted absent.</p>

Texarkana College's absentee policy allows instructors to withdraw a student from a course due to excessive absences. If a student leaves and returns during class or leaves the class before the class is over, he/she may be considered absent. Three tardies constitute one absence. It is the student's responsibility to check the syllabus for each instructor's tardy policy.

In some workforce/vocational areas, such as nursing and cosmetology, certification requirements necessitate an absentee policy that is more stringent than the institutional policy. In these instances, the matter of certification takes precedence over local policies, since certification policies are established by the State of Texas.

Faculty members are not obligated to provide opportunities for students to make-up missed assignments and tests as a result of a student's absence from class. The institution is not required to take attendance with the exception of workforce/vocational areas, where certification requirements require taking attendance. However, experience demonstrates that regular attendance enhances academic success. As such, students are expected to attend each meeting of their registered courses.

A student should not stop attending a class without formally withdrawing from the course by the institutions published Last Day for Students to Drop. If a student stops attending class after the published Last Day for Students to Drop, the student may receive a grade of "F" in the class. The instructor will submit the last date of attendance for students receiving a grade of "F" or "W". Withdrawal from a course(s) may affect a student's current or future financial aid eligibility. Students should consult the Financial Aid Office to learn both short and long term consequences of a withdrawal.

## Excused Absences

A student's absence due to school trips and/or school business will not be counted against a student's allowable number of absences. Military duty and absences for Holy Days (FBD LEGAL) are covered in a separate section of the catalog and the student handbook. These are the only excused absences that are considered by Texarkana College. Responsibility for work missed for any absence is placed on the student. Instructors are required to allow students to make up work missed if the absence is due to military duty\* or religious holy days when students follow the correct notification procedures. Instructors are not required to allow students to make up work for absences due to other reasons. Make-up policies are listed in each individual instructor's syllabus.

*\*Students interested in Cosmetology should check with the Program Coordinator prior to entering the program.*

## Make-up Policy

If a student is absent on the day of an exam (written or practical), or on a day an assignment is due, he or she is required to make up all exams and/or turn in all assignments the same day of returning to class, and during times established by an educator. To maintain the credibility of the exam an alternate exam will be used. Failure to make up an exam or turn in assignments in accordance with the make-up policy requirements will result in a recorded grade of 0%, which will be factored into the student's grade average and will therefore impact the student's satisfactory progress determination.

## SCANS Skills

1. Foundation Skills: (for Academic & Technical Courses)

(a) Basic Skills: A student must read, write, perform arithmetic and mathematical operations, listen, and speak effectively.

These skills include:

- 1) Reading: Locate, understand, and interpret written information in texts, documents and manufacturers literature such as instruction manuals and other related material.
- 2) Writing: communicate thoughts, ideas, information, and messages in writing; and create documents such as client record keeping and appointment scheduling.

## Academic Dishonesty Policy

Scholastic dishonesty, involving but not limited to cheating on a test, plagiarism, collusion, or falsification of records will make the student liable for disciplinary action after being investigated by the Dean of Students. Proven violations of this nature will result in the student being dropped from the class with an "F".

This policy applies campus wide, including TC Testing Center, as well as off-campus classroom or lab sites, including dual credit campuses. This information can be found in the Student Handbook at <https://texarkanacollege.edu/PDFFiles/CurrentStudents/studenthandbook.pdf>.

## Disability Act Statement

Texarkana College complies with all provisions of the Americans with Disabilities Act and makes reasonable accommodations upon request. Please contact Larry Andrews at (903) 823-3283, or go by the Advising Department located in the Administration building for personal assistance. If you have an accommodation letter from their office indicating that you have a disability, which requires academic accommodations, please present it to me so we can discuss the accommodations that you might need for this class.

*It is best to request these changes at the beginning if not before the start of class, so there is ample time to make the accommodations.*

## Statement of Equal Opportunity

Texarkana College is an Affirmative Action Equal Opportunity Institution. It is the policy of Texarkana College not to discriminate on the basis of sex, disabilities, race, color, age or national origin in its educational and workforce education programs, activities, or employment as required by Title IX, Section 504 and Title VI. ## Netiquette

*"Netiquette" is the term used to describe rules of courtesy in using electronic communication. These rules are intended to help use the medium effectively and considerately. The ideas below are intended to help with electronic class discussion.*

When communicating in an online course you are addressing a group of people. The following guidelines will help you to communicate effectively.

- Don't say things that you wouldn't say in a face-to-face environment, or in any public place.
- Don't share confidential information.
- Use the subject line to identify the content of the message.
- Stay up-to-date on forum postings by reading them regularly.
- Always comply with copyright by citing your references when posting online content.
- Use individual e-mail for messages to individuals rather than tying up the group list.
- Do not forward emails or discussion forum postings without asking permission from the original author.
- Electronic communication does not provide visual cues, such as smiles or frowns that face-to-face communication allows. Therefore, humor and/or sarcasm in written text might be misunderstood and interpreted as rude or inflammatory in the online environment. Choose your words carefully to avoid hurting, or angering anyone. Should emotions become inflamed, do not promote the anger. Take a cooling down period, perhaps overnight, before you engage in the online activity again.
- Avoid using all capital letters in your text. This is considered 'shouting' in the online classroom.
- Aim for clarity and readability in your text.
- Use proper English and remember to spell check.
- If you do not understand the assignment's directions or the posts of your classmates don't be afraid to ask for clarification.
- The online classroom is a community of learners. Participate actively in the community and reach out to your classmates with a helping hand.

## Computer and Technical Support

This is a hybrid online course. You will be required to purchase an iPad to participate and complete assignments online while enrolled in the Cosmetology program. It is your responsibility to possess the necessary skills to manage the hardware and software systems for this online course. In addition, if your normal computer facilities become unavailable for any reason, you are responsible for locating and operating other adequate computer facilities to meet the course deadlines. TC has computers available to students in the Career Education Center (CEC) building, Library and the Cosmetology Department. AUP Policy applies and can be found in your Student Handbook.

### Alternative Methods of Turning in Assignments

Even if your computer crashes or the school server goes down, you are still responsible for meeting the course deadlines. You are notified of due dates for all assignments well in advance to plan accordingly.

### TC Help Desk

If you have computer problems or technical issues, contact the TC Help Desk at:
