RULES OF THE GAME

This course is designed to give the actor and singer practical experience in music theatre. A study of integration of music, acting and staging.

To make an 'A' in this class is very simple. Come to class/rehearsals prepared to participate, assume another position within the production (costumes, scenery, lights, props, stage management, etc.) as necessary, and **have a positive attitude.**

The ultimate goal of the class is to create a Show Choir that professionally represents Texarkana College at various venues and concerts throughout the area. As this is a new venture and adventure for Texarkana College, please note that the term “professionally” is of the utmost importance. We will not perform anywhere until I decide that we are ready to make our debut. As this is a CLASS, I will be content if we concentrate our time learning music, choreography, etc., and do not ‘face the public’ for quite a while.

We will work very hard in here -- but also have a pretty good time . It is always our goal that this group will represent Texarkana College with the highest professional quality work possible.

Student Assessment

Student Assessment is completely based upon attendance and participation. This is a Practicum course and is totally based upon hands-on experience.
