Attendance Policy:

Texarkana College's absentee policy allows instructors to withdraw a student from a course due to excessive absences. If a student leaves and returns during class or leaves the class before the class is over, he/she **may** be considered absent. Three tardies constitute one absence. It is the student's responsibility to check the syllabus for each instructor's tardy policy.

In some workforce/vocational areas, such as nursing and cosmetology, certification requirements necessitate an absentee policy that is more stringent than the institutional policy. In these instances, the matter of certification takes precedence over local policies, since certification policies are established by the State of Texas.

Faculty members **are not** obligated to provide opportunities for students to make-up missed assignments and tests as a result of a student's absence from class. The institution is not required to take attendance with the exception of workforce/vocational areas, where certification requirements require taking attendance. However, experience demonstrates that regular attendance enhances academic success. As such, students are expected to attend each meeting of their registered courses.

A student should not stop attending a class without formally withdrawing from the course by the institutions published Last Day for Students to Drop. If a student stops attending class after the published Last Day for Students to Drop, the student **may** receive a grade of "F" in the class. The instructor will submit the last date of attendance for students receiving a grade of "F" or "W".

Withdrawal from a course(s) **may** affect a student's current or future financial aid eligibility. Students should consult the Financial Aid Office to learn both short and long term consequences of a withdrawal.

EXCUSED ABSENCES

A student's absence due to school trips and/or school business will not be counted against a student's allowable number of absences. Military duty and absences for Holy Days (FBD LEGAL) are covered in a separate section of the catalog and the student handbook. These are the only excused absences that are considered by Texarkana College.

Responsibility for work missed for any absence is placed on the student. Instructors are required to allow students to make up work missed if the absence is due to military duty* or religious holy days when students follow the correct notification procedures. Instructors are not required to allow students to make up work for absences due to other reasons. Make-up policies are listed in each individual instructor's syllabus.

**Students interested in Health Occupations should check with the division chair prior to entering the program.*

MAXIMUM ALLOWABLE ABSENCES

After official registration, the following number of unexcused absences will be the maximum allowable before a student **may** be dropped from the class. Mandated program certification requirements detailed for certain programs regarding the maximum allowable unexcused absences takes precedence over the following information.

Academic Classes	
A COURSE THAT MEETS FOR 5 WEEKS OF THE SEMESTER (Summer Sessions)	
Class or Lab Meets:	An instructor may withdraw a student from a course if absences exceed:
3 times a week (MTW) (evening classes)	2
4 times a week (MTWR) (day classes)	2
	Three tardies count as one absence.

Make-up Policy:

If the student is absent, it is the student’s responsibility to make arrangements to complete the assignments within one week of the absence; however, if a student misses on a presentation day, the student will not be allowed to do the presentation unless arrangements are made with the instructor. If the student is allowed to give the presentation late, ten points will be deducted. If a student misses on test day, the test will be placed in the testing center, and the students will have one week to complete the test. If a student misses on a day that an essay is due, the student is still responsible for turning the essay in on time. Ten points will be deducted for every day the essay is late. If a student is excused for a Texarkana College extra-curricular activity, religious holiday, or military service, the student must receive prior approval from the Dean of Students and the instructor. Assignments must be completed prior to the excused absence.

Academic Dishonesty Policy/Academic Integrity Statement:

Scholastic dishonesty, involving but not limited to cheating on a test, plagiarism, collusion, or falsification of records will make the student liable for disciplinary action after being investigated by the Dean of Students. Proven violations of this nature will result in the student being dropped from the class with an “F”. This policy applies campus wide, including TC Testing Center, as well as off-campus classroom or lab sites, including dual credit campuses. This information can be found in the Student Handbook at <https://texarkanacollege.edu>.

Disability Act Statement:

Texarkana College complies with all provisions of the Americans with Disabilities Act and makes reasonable accommodations upon request. Please contact Larry Andrews at 903.823.3283, or go by the Recruitment, Advisement, and Retention Department located in the Administration building for personal assistance.

If a student has an accommodation letter from the Recruitment, Advisement, and Retention Department indicating that he or she has a disability that requires academic accommodations, the student should present the letter to the instructor so

accommodations can be made. *It is best to request these changes at the beginning if not before the start of class* so there is ample time to make the accommodations.

Financial Aid:

Attention! Dropping this class may affect your funding in a negative way! You could owe money to the college and/or federal government. Please check with the Financial Aid office before making a decision.

Drop Date:

The official drop date for the course is **Friday, August 8**, which is the last date for the student or instructor to drop this course with a W.

Viewing Grades:

Grades are available via an online grade book- Engrade (www.engage.com/students) - Student grades are posted throughout the semester; Students will receive information about accessing grades by the third week of class.

TC Email:

Students should check their TC Email account on a regular basis to check for general information sent from campus or instructors. Also, when emailing the instructor, the students should use the TC Email account. **NOTE: During the two week computer conversion from Banner to Jenzabar (July 18-Aug. 4) Students must go to the following web address is <http://www.texarkanacollege.edu/transition/> to access TC Email.**

ESSAYS

ATTENTION:

ALL ESSAYS MUST BE TURNED IN OR A STUDENT WILL BE DROPPED FROM THE COURSE!

In-Class Essays:

Two in-class essays will be assigned during the semester. First, the chapter covering the format and requirements of the essays will be covered in class. Then, the student will be asked to complete a prewriting/planning and write the essay in-class on assigned days. Essays must be handwritten in a Blue Book. Each essay has specific content and organization requirements; however, grammar and mechanics requirements are the same for all writing. If a student misses a class period when the essay is to be written, the student must set up an appointment with the professor to discuss a time to write the essay. The in-class essay must be complete within a week of the original due date.

Submitting Final Out-of-Class Essays:

1. Typed and double-spaced using 14 point easy to read font. (Be sure to save a copy of all work.)
2. Turn in a cover sheet, a formal outline, a final draft, and a works cited page (when required). Be sure to place your first and last name on each sheet as a header in the right corner.
3. Unless otherwise instructed, the cover (title) page should include the following information, double spaced and centered in the middle of the page:

Title of Paper

Student's Name

English 1301

Mrs.

Date

4. Attach the Rough Draft and Peer Editing Sheet to the back of the final essay.

Evaluation of Essays:

All assignments are graded using a rubric with points assigned for specific areas. Essays are graded for content, analysis, documentation, grammar, and mechanics. The Texarkana College point deduction scale is used for grammar and mechanics. (SEE BELOW) The content and development and grammar and mechanics grades are averaged for the final writing grade.

Essays will be marked for all errors and returned to the student within two weeks of when the essay is turned in. Reviewing the marked essay is essential for student success in the course. Writing can only improve if a student identifies and works on weak areas in his or her writing.

RESEARCH PAPERS

ATTENTION: The Research Papers must be turned in to receive credit for this course! No late research papers are accepted!

The Research Papers are assigned after the midterm point. Prior to that point students will receive instruction on MLA documentation, which is a requirement of the research paper. Weekly assignments on the paper will help assess student progress and ensure a student understands the components of the assignment. Each Research Paper Check is part of the overall Research Paper Final Grade. The final paper will be turned in using the same method as the essays, but will be placed in a pocket folder with brads. The research paper is evaluated in three parts: content and organization, research and documentation, and grammar and mechanics. *NOTE: To conduct reliable research, students must use the TC Databases.*

Directions for Accessing the Texarkana College Databases:

1. Go to the Texarkana College Website.
2. Click on the Library link at the bottom of the page.
3. Click on Electronic Resources and Databases on the left side of the page.
4. Click on the one of the Databases. (general or specific subject databases are available)
5. Type in your Username and Password.
6. Once in the database, be sure to search for a full text article and be sure to gather documentation information for the article.

TESTS

A pre and post test will be given in class. The pre-test is given to provide the instructor with strengths and weaknesses of students regarding grammar, mechanics and sentence structure. The pos-test will be given at the end of the semester. The tests are in multiple choice format and will be scored immediately. The Midterm Exam will cover the writing process. Students will need to bring a scantron, notebook paper, and pencil to take these tests. These tests will be graded within a week of completion. If a student is absent on test day, the student must make arrangements with the instructor to make up the test in the Testing Center at Texarkana College or other arrangements can be made. The final exam will cover MLA. The final must be taken on the day indicated on the final exam schedule.

JOURNALS

Ten journal topics will be assigned during the semester. Journal topics are related to assigned readings in the textbook and/or writing prompts. Journals are completed in the composition book. Each journal must be one page to receive complete credit for the entry. Journals are meant to allow a student to express ideas, analyze, and critically think about the reading. Journals are graded for content, not grammar and mechanics. Journals will be graded twice during the semester.

WRITING ASSIGNMENTS

Planning (Outline): For each essay, a student will be asked to turn in a thesis statement and a topic outline. Topic outline examples can be found in the textbook page 47 and in the handbook page 21. These steps in the writing process enable the student to gather ideas and organize ideas for writing. The instructor can then provide appropriate feedback for the student before the student begins writing a rough draft of the essay.

Peer Editing: For each essay, a student will be asked to conduct peer editing on a classmate's rough draft of the essay. Students will be assigned to peer-editing groups during the course. Students will bring the typed rough draft to class for peer editing. Each student must edit another student's rough draft for content, organization, grammar, and mechanic errors. A peer editing sheet will be provided and must be completed by the editor. This sheet is turned in with the final essay. On peer editing day, students may also ask the instructor for help on the paper. Peer editing will assist students in preparing the final draft, but should not be the only editing and revising that occurs on the rough draft.

Research Paper Assignments: The Research Paper will be assigned during week four of the course. Over the four weeks after the assignment, students will turn assignments as part of the research paper process. Specific Research Paper information will be provided at that time, but the assignments include: Assignment One – A topic proposal; Assignment Two- A Works Cited page; Assignment Three –Planning; Assignment Four- Rough Draft. Working through the steps in this order will help students succeed in writing a research paper that is well-researched, detailed, organized, and documented. If a student fails to complete these assignments by the due date, he or she loses points on the final research paper.

MyWritingLab

Throughout the semester students are assigned activities in the MyWritingLab Online Program. MyWritingLab must be purchased with a new handbook or separately with a used handbook. The activities will focus on writing, MLA, sentence structure, grammar, and mechanics concepts. Students should check the course schedule and MyWritingLab Program weekly for assignments and due dates. One grade, an average for all assignments, will be recorded for the lab grade.
