ABSENCE POLICY:

Texarkana College's absence policy allows instructors to withdraw a student from a course due to excessive absences. If a student leaves and returns during class or leaves the class before the class is over, he/she **may** be considered absent.

Faculty members **are not** obligated to provide opportunities for students to make-up missed assignments and tests as a result of a student's absence from class. The institution is not required to take attendance with the exception of workforce/vocational areas, where certification requirements require taking attendance. However, experience demonstrates that regular attendance enhances academic success. As such, students are expected to attend each meeting of their registered courses.

A student should not stop attending a class without formally withdrawing from the course by the institutions published Last Day for Students to Drop. If a student stops attending class after the published Last Day for Students to Drop, the student **may** receive a grade of "F" in the class. The instructor will submit the last date of attendance for students receiving a grade of "F" or "W".

Withdrawal from a course(s) **may** affect a student's current or future financial aid eligibility. Students should consult the Financial Aid Office to learn both short and long term consequences of a withdrawal.

EXCUSED ABSENCES:

A student’s absence due to school trips and/or school business will not be counted against a student’s allowable number of absences. Military duty and absences for Holy Days (FBD LEGAL) are covered in a separate section of the catalog and the student handbook. These are the only excused absences that are considered by Texarkana College. Responsibility for work missed for any absence is placed on the student. Instructors are required to allow students to make up work missed if the absence is due to military duty* or religious holy days when students follow the correct notification procedures. Instructors are not required to allow students to make up work for absences due to other reasons.

MAXIMUM ALLOWABLE ABSENCES:

After official registration, the following number of unexcused absences will be the maximum allowable before a student **may** be dropped from the class.

Academic Classes

A COURSE THAT MEETS FOR THE FULL 16 WEEK SEMESTER	
Class Meets:	An instructor may withdraw a student from a course if absences exceed:
Once a week (Night classes)	2
Twice a week (MW or TR classes)	4

MAKE-UP POLICY:

If you do not attend class on a test date, you will be expected to contact the instructor and arrange for a test to be placed in the testing center. If you do not make these arrangements, you will receive a zero on this test. There will be a deadline to complete this make-up test. If you miss a test date due to an excused extracurricular activity, you will be expected to communicate this information to the instructor.

ACADEMIC DISHONESTY POLICY:

Scholastic dishonesty, involving but not limited to cheating on a test, plagiarism, collusion or falsification of records will make the student liable for disciplinary action after being investigated by the Dean of Students. Proven violations of this nature will result in the student being dropped from the class with an “F”. This policy applies campus-wide, including the TC Testing Center, as well as off-campus classroom or lab sites. Students are furnished this information during Freshman Orientation with the TC Student Handbook.

DISABILITY ACT STATEMENT:
