Textbook—Available as E-Book through Cengage Unlimited Platform:

Understanding Health Insurance: A Guide to Billing and Reimbursement, 17e, Michelle A. Green, Cengage Learning., 2020. ISBN: 978-0-357-62135-6

This course also includes the SelectCoder-Decision Health website in which students are supplied with an online complimentary online subscription to “Select Coder-Decision Health”. This software assists students to apply text (online) assignments to be resolved in an accurate, up-to-date, live software program purchased by the Medical Office Careers Program. This prepares students for professional medical coding, by introducing real life medical software utilized by health care institutions.

Course Description:

Designed to train medical assistants, medical insurance specialists, coding and reimbursement specialists, and health information technicians and be used as an in-service training tool for new medical office personnel and independent billing services, or individually by claims processors in the health care field who want to develop or enhance their skills.

Student Learning Outcomes for the Course:

- Gain information about major insurance programs and federal health care legislation
- Provide a basic knowledge of national diagnosis and procedure/service coding systems
- Identify the impact of coding compliance, clinical documentation improvement (CDI), and coding for medical necessity on health care settings
- Understanding of completing CMS-1500 and UB-04 claims

Teaching Method--Hybrid

- **Lectures:** Students are offered chapter lectures as “in person” and “recorded online” Lectures. It is the student’s responsibility to attend when in-class lectures are presented or to view the prerecorded online lectures for each chapter for better knowledge and understanding of the course.
- **Chapter Assignments and Tests:** Detailed end of chapter homework assignments and tests are offered online through Cengage Unlimited with MindTap featuring MOSS Learning Labs, Chapter Reviews, Video Quizzes, and Chapter Quizzes. The online activities reinforce the student’s ability to carry out the tasks learned in each chapter.

Grading Scale Summary

Percentage	From	Final Grade	Average
40%	Chapter Reviews	A	90-100
50%	Chapter Quizzes	B	80-89
10%	MOSS Learning Labs	C	70-79
		D	60-69
		F	50-59

Business Office Technology/Medical Office Careers for N1 Hybrid Policy and Procedure Document

Effective Date: Every new semester

Department: Workforce

Applies To: All Students Enrolled in the Part-time Business Office Technology/Medical Office Careers
Level 1 Certificate Programs

Attendance Policy

- Students are required to check in via Microsoft Teams or in lab, Monday through Thursday between **5:30 PM and 5:45 PM**
- Check-ins after **5:46 PM** are considered **Tardy**; check-ins after **6 PM** will be considered **Absent**.
- Failure to check in will result in an absence unless the student is physically present in class or the absence coincides with a recognized school holiday.

Absentee Policy

- Instructors may withdraw students from a course if unexcused absences exceed five (5) prior to the published Last Day to Drop.
- Absences exceeding this threshold after the drop deadline may result in a grade of “F” for the semester.
- Three (3) tardies equal one (1) absence.
- Students are considered tardy from the designated class start time up to 15 minutes into the session. After 30 minutes, the student is marked absent.
- Students leaving early, returning late during class, or showing absence in the online course may also result in an absence.

Excused Absences

Excused absences include:

- Official school trips or school business
- Military duty
- Religious holy days (per FBD LEGAL)

Students must follow proper notification procedures to qualify for make-up work. All other absences are considered unexcused unless otherwise stated in the instructor’s syllabus.

Make-Up and Late Work Policy

- Students are responsible for all missed work due to absences.
- Late work is accepted only in cases of excused absences or emergencies.
- Instructors are not obliged to offer make-up opportunities for unexcused absences.

Academic Integrity Policy

Texarkana College maintains a zero-tolerance policy for scholastic dishonesty, including but not limited to:

- Cheating on exams
- Plagiarism
- Collusion
- Falsification of records

Violations will result in disciplinary action and may lead to dismissal from the course with a grade of **“F”**. This policy applies to all instructional settings, including the TC Testing Center and dual credit campuses.

Examples of Cheating Include:

- Copying files or sharing storage devices
- Glancing at or copying exam answers
- Printing work for others
- Submitting reused assignments
- Buying/selling assignments or test materials
- Sharing login credentials

Classroom Conduct

Students must:

- Show respect to instructors and peers
- Avoid unauthorized web browsing or social media use during class
- Collaborate ethically—no copying or cheating

Violations such as cheating, harassment, or viewing inappropriate content will result in dismissal from class with a grade of **“F”** and disciplinary action.

Additional Classroom Policies

- No food or drinks are allowed in classrooms or labs.
- Pornographic content and obscene email usage are strictly prohibited
- Harassment of any kind will result in immediate dismissal and disciplinary action
