## Distance Education Course Standards Course Equivalency Form

The Texas Higher Education Coordinating Board stipulates that all courses delivered electronically must adhere to ***The Principles of Good Practice for Electronically Offered Academic Degree and Certificate Programs (PGP)***. To comply with this directive, Texarkana College has established its Distance Education Course Standards, which are designed to align with the PGP.

Course Developer

Course

**This form is used as documentation that the Texas Higher Education Coordinating Board's Guide for Incorporating the Principles of Good Practice into Electronically-Based Courses and the Texas Administrative Code Title 19, Part 1, Chapter 4, Subchapter P have been met.**

### Appropriate Learning Outcomes

- The course's learning outcomes as contained in the course syllabus are appropriate in rigor, depth, and breadth with the degree or certificate awarded.

The course meets the same academic standards as the same course offered by other means.

- Textbook and additional materials are comparable to the same course offered by other means.
- Course assessments are comparable to the same course offered by other means.
- Course assignments are comparable to the same course offered by other means.
- Any other course activities are comparable to the same course offered by other means.

### ***Division Dean Approval***

If the instructor being evaluated is also the Division Dean, this form must be signed by the Vice President of Instruction.
