**Student Learning Outcomes for the Course**

Anatomy and Physiology I is the first part of a two course sequence. It is a study of the structure and function of the human body including cells, tissues and organs of the following systems: integumentary, skeletal, muscular, nervous and special senses. Emphasis is on interrelationships among systems and regulation of physiological functions involved in maintaining homeostasis.

Upon successful completion of this course, students will:

- 1 Use anatomical terminology to identify and describe locations of major organs of each system covered.
- 2 Explain interrelationships among molecular, cellular, tissue, and organ functions in each system.
- 3 Describe the interdependency and interactions of the systems.
- 4 Explain contributions of organs and systems to the maintenance of homeostasis.
- 5 Identify causes and effects of homeostatic imbalances.
- 6 Describe modern technology and tools used to study anatomy and physiology.

## Student Requirements for Completion of the Course and Due Dates

Unit Test	Taken online in the testing center. Dates and times online.
Chapter Quiz	Taken online anywhere. Dates and times online
Final Exam	Taken online in the testing center. Date and time online. For every absence after the first, 10% will be deducted from an initial grade of 100%. For example, a student with four absences will receive 70% for attendance.
Participation	Students are expected to be active participants in class. Students that work on other assignments, misuse electronic devices, leave early, or sleep during class may lose 10% from their grade as if they were absent from class.

## Student Assessment

## Conduct

Students are expected to adhere to all deadlines, guidelines, and standards of student conduct in the Texarkana College Student Handbook.

## Absentee Policy

Texarkana College's absentee policy allows instructors to withdraw a student from a course due to excessive absences. If a student leaves and returns during class or leaves the class before the class is over, he/she **may** be considered absent. Three tardies constitute one absence. It is the student's responsibility to check the syllabus for each instructor's tardy policy.

In some workforce/vocational areas, such as nursing and cosmetology, certification requirements necessitate an absentee policy that is more stringent than the institutional policy. In these instances, the matter of certification takes precedence over local policies, since certification policies are established by the State of Texas.

**Faculty members are not obligated to provide opportunities for students to make-up missed assignments and tests as a result of a student's absence from class.** The institution is not required to take attendance with the exception of workforce/vocational areas, where certification requirements require taking attendance. However, experience

demonstrates that regular attendance enhances academic success. As such, students are expected to attend each meeting of their registered courses.

A student should not stop attending a class without formally withdrawing from the course by the institutions published Last Day for Students to Drop. If a student stops attending class after the published Last Day for Students to Drop, the student **may** receive a grade of “F” in the class. The instructor will submit the last date of attendance for students receiving a grade of “F” or “W”.

Withdrawal from a course(s) **may** affect a student’s current or future financial aid eligibility. Students should consult the Financial Aid Office to learn both short and long term consequences of a withdrawal.

### **Excused Absences**

A student’s absence due to school trips and/or school business will not be counted against a student’s allowable number of absences. Military duty and absences for Holy Days (FBD LEGAL) are covered in a separate section of the catalog and the student handbook. These are the only excused absences that are considered by Texarkana College. Responsibility for work missed for any absence is placed on the student. Instructors are required to allow students to make up work missed if the absence is due to military duty\* or religious holy days when students follow the correct notification procedures. Instructors are not required to allow students to make up work for absences due to other reasons. Make-up policies are listed in each individual instructor’s syllabus.

*\*Students interested in Health Occupations should check with the division chair prior to entering the program.*

### **Online/Hybrid Course Absences**

Absence in an **online course** is defined as the lack of an active post or submission within the course including discussion board posts, written assignments, and tests. This standard will be used to determine all absentee issues, including but not limited to, 12<sup>th</sup> Day Census Reports, last date of attendance, and involuntary withdrawal from a course due to absences. All online students must complete an Enrollment Verification activity within the first week of class (activity depends upon the professor); otherwise the professor **may** drop the student for not having attended. Students must complete at least one activity in their online class per week. Each week in which a student does not complete an activity will be counted as an absence. If a student is taking a hybrid course, and it does not meet during the first week of class, the student must also complete an Enrollment Verification activity within the first week of class; otherwise the student **may** be dropped for not having attended.

### Maximum Allowable Absences

After official registration, the following number of unexcused absences will be the maximum allowable before a student **may** be dropped from the class. Mandated program certification requirements detailed for certain programs regarding the maximum allowable unexcused absences takes precedence over the following information.

#### Academic Classes

A COURSE THAT MEETS FOR THE FULL 16 WEEK SEMESTER	
Class or Lab Meets:	An instructor <b>may</b> withdraw a student from a course if absences exceed:
Once a week (Night classes or Friday classes)	2
Twice a week (MW or TR classes)	4
Three times a week (MWF or TRF classes)	6
Four times a week (MTWR classes)	8
	Three tardies count as one absence

### Make-up Policy

Make-up work for missed assignments, except where prohibited by State law or statute, will only be *considered* for those students who have notified me *prior* to the class that they will miss. Exceptions may be considered on an individual basis, but will require extraordinary circumstances

### Academic Progress

Students with very low averages at midterm may be dropped from the course.

### Academic Dishonesty Policy

Scholastic dishonesty, involving but not limited to cheating on a test, plagiarism, collusion, or falsification of records will make the student liable for disciplinary action after being investigated by the Dean of Students. Proven violations of this nature will result in the student being dropped from the class with an "F".

This policy applies campus wide, including TC Testing Center, as well as off-campus classroom or lab sites, including dual credit campuses. This information can be found in the Student Handbook at [https://www.texarkanacollege.edu/wp-content/uploads/2014/11/Texarkana-College-Catalog-2015\\_2016.pdf](https://www.texarkanacollege.edu/wp-content/uploads/2014/11/Texarkana-College-Catalog-2015_2016.pdf)
