**Syllabus Changes:**

*As your instructor, I retain the right to make changes based on the time line of the class, feedback from learners and/or logistical issues and will inform you as soon as a change is made.*
Responsibilities and Policies

Student Responsibilities:

- Students are expected to be familiar with navigating the Texarkana College Online Web Site located at [https://campus.texarkanacollege.edu](https://campus.texarkanacollege.edu)

- You are an adult learner and as such you are responsible for your own learning. No one else can be a "stand in" for you in the learning process. You will be held accountable for all assigned activities. I do not take late work or give extra credit.

- Academic Integrity is an expectation in all Texarkana College classes. Plagiarism, cheating and collusion are prohibited at Texarkana College. Plagiarism is defined as passing of another person's work as your own. Students who fail to observe these standards are subject to disciplinary action. TC has a strong policy on Academic Misconduct which is published in the TC catalog. This policy applies campus wide, including TC Testing Center, as well as off-campus classroom or lab sites. If you are caught cheating in this class, you will be dropped with an "F". Students are furnished this information during Freshman Orientation. If you do not have a copy of the TC Student handbook, you may view the online version by clicking on this link: [TC Student Handbook](https://campus.texarkanacollege.edu).

Instructor Responsibilities:

- As your instructor, I commit to communicating openly and frequently with you about this class. I will maintain a professional, safe learning environment adhering to the policies of the college. You can expect a reply to communication, be it via e-mail, through online discussions, or voice mail, within 24-48 business hours. If you post something on the weekend, it will probably be Monday before I respond.

Withdrawal Policy:

- If a situation arises that prevents the successful completion of this course, please note that it is each student's responsibility to formally withdraw from this course. If you fail to drop by Friday, April 17, 2015, you could easily end up with an "F" in the course if you have quit working on your assignments.

Attendance Policy:

- Absence in an online course is defined as the lack of an active post or submission within the course including discussion board/forum posts, written assignments, and exams. This standard will be used to determine all absentee issues, including but not limited to, 12th Day Census Reports, last date of attendance, and involuntary withdrawal from a course due to absences. All online students must complete an Enrollment Verification activity within the
first week of class (activity depends upon the professor); otherwise the professor may drop
the student for not having attended. Students must complete at least one activity in their
online class per week. Each week in which a student does not complete an activity will be
counted as an absence. **Maximum allowable absences for online classes are TWO per
semester.** THREE absences will result in a student being dropped from this course and/or
receive a grade of “F.” This is not the only (or even the major) reason you should complete
weekly assignments conscientiously.

**Make-up Policy**

- I make no exceptions for missed assignments. All assignments are due by the date
  indicated in the course syllabus. Failure to submit an assignment as stated will result in a
  “0” for the assignment.

**Academic Integrity Statement**

- Scholastic dishonesty, involving but not limited to cheating on a test, plagiarism, col-
  lusion, or falsification of records will make the student liable for disciplinary action after
  being investigated by the Dean of Students. Proven violations of this nature will result in the
  student being dropped from the class with an “F”.

- This policy applies campus wide, including TC Testing Center, as well as off-campus
  classroom or lab sites, including dual credit campuses. This information can be found in the
  Student Handbook at [https://texarkanacollege.edu](https://texarkanacollege.edu).

**Disability Act Statement**

- Texarkana College complies with all provisions of the Americans with Disabilities Act
  and makes reasonable accommodations upon request. Please contact Larry Andrews at
  903.823.3283, or go by the Recruitment, Advisement, and Retention Department located in
  the Administration building for personal assistance.

- If you have an accommodation letter from their office indicating that you have a disability
  which requires academic accommodations, please present it to me so we can discuss the
  accommodations that you might need for this class. *It is best to request these changes at the
  beginning if not before the start of class so there is ample time to make the
  accommodations.*

**Financial Aid**

Attention! Dropping this class may affect your funding in a negative way! You could owe
money to the college and/or federal government. Please check with the Financial Aid office
before making a decision.
