

Syllabus: Trigonometry

Course Number: MATH 1316

Semester & Year: Fall 2014

Instructor Information

Name: Kalie Schirmer

Office: Physical Science Office #5

Telephone: (903) 823-3310

E-mail: kalie.schirmer@texarkanacollege.edu

Office Hours: Mon – Thurs 9:00 – 9:30, 12:30 – 2:00, Friday 9:00 – 11:00

Textbook Information

MyMathLab (MML) by Pearson (this is an access code that can be purchased in the TC bookstore or online through the MyMathLab website)

*Textbooks purchased from the TC bookstore are packaged with a [MyMathLab](#) access code. If you purchase your book from another source you will need to purchase and access code separately.

Trigonometry 10th Edition by Lial, Hornsby, Schneider and Daniels, ISBN-13: 978-0-321-67177-6 *textbook is optional

Trigonometry Practice Final Exam (available in the TC bookstore)

A Graphing Calculator (preferably a TI-84)

Student Learning Outcomes for the Course

Upon successful completion of this course, students will:

1. Compute the values of trigonometric function for key angles in all quadrants of the unit circle measured in both degrees and radians.
2. Graph trigonometric functions and their transformations.
3. Prove trigonometric identities.
4. Solve trigonometric equations.
5. Solve right and oblique triangles.
6. Use the concepts of trigonometry to solve applications.

Student Requirements for Completion of the Course and Due Dates

Homework assignments are to be completed using MyMathLab (MML). You will receive credit for assignments turned in on or before the due date (due dates are listed on MyMathLab). At the end of the semester your lowest 3 homework grades will be dropped and will not count towards your homework average.

Tests – There will be a total of 6 chapter tests as follows:

- Test 1: Chapter 1
- Test 2: Chapters 2 & 7.1-7.3
- Test 3: Chapter 3
- Test 4: Chapter 4
- Test 5: Chapter 5
- Test 6: Chapter 6

Final Exam – There will be a multiple choice comprehensive final exam. You will need to bring your own scantron to the final exam. Practice final exams are available for purchase in the bookstore.

Student Assessment

You have opportunity to earn points in the following 3 areas. Your final grade will be determined by the corresponding percentages.

- (1) Homework 20% (Lowest 3 scores dropped)
- (2) Chapter Tests 60%
- (3) Final Exam 20%

Grading Scale

Grade	
A	90-100
B	80-89
C	70-79
D	60-69
F	59-below

Class Schedule

See attached schedule.

Absentee Policy

Texarkana College's absentee policy allows instructors to withdraw a student from a course due to excessive absences. If a student leaves and returns during class or leaves the class before the class is over, he/she **may** be considered absent. Three tardies constitute one absence. You may be counted tardy for arriving late or leaving early. Students are expected to attend each meeting of their registered courses.

A student should not stop attending a class without formally withdrawing from the course by the institutions published Last Day for Students to Drop. If a student stops attending class after the published Last Day for Students to Drop, the student **may** receive a grade of “F” in the class. The instructor will submit the last date of attendance for students receiving a grade of “F” or “W”.

Withdrawal from a course(s) **may** affect a student’s current or future financial aid eligibility. Students should consult the Financial Aid Office to learn both short and long term consequences of a withdrawal.

EXCUSED ABSENCES

A student’s absence due to school trips and/or school business will not be counted against a student’s allowable number of absences. Military duty and absences for Holy Days (FBD LEGAL) are covered in a separate section of the catalog and the student handbook. These are the only excused absences that are considered by Texarkana College. Responsibility for work missed for any absence is placed on the student. Instructors are required to allow students to make up work missed if the absence is due to military duty or religious holy days when students follow the correct notification procedures. Instructors are not required to allow students to make up work for absences due to other reasons.

MAXIMUM ALLOWABLE ABSENCES

After official registration, for Academic classes that meet twice a week, an instructor may withdraw a student from a course if they exceed 4 absences.

Make-up Policy

Absences for which you may make up missed tests include military duty, religious holidays, a death in the family, a documented medical emergency, or school functions provided that you follow the correct notification procedure. If you miss an exam for a valid reason (as determined by the instructor), contact the instructor before the next class in order to schedule a make-up exam. The make-up exam must be completed in a timely manner. Make up tests may be a different form of the test.

Homework not completed by the due date will not receive credit. At the end of the semester your lowest 3 homework grades will be dropped and will not count towards your homework average.

Academic Integrity Statement

Scholastic dishonesty, involving but not limited to cheating on a test, plagiarism, collusion, or falsification of records will make the student liable for disciplinary action after being investigated by the Dean of Students. Proven violations of this nature will result in the student being dropped from the class with an “F”.

This policy applies campus wide, including TC Testing Center, as well as off-campus classroom or lab sites, including dual credit campuses. This information can be found in the Student Handbook at <https://texarkanacollege.edu>.

Disability Act Statement:

Texarkana College complies with all provisions of the Americans with Disabilities Act and makes reasonable accommodations upon request. Please contact Larry Andrews at 903.823.3283, or go by the Recruitment, Advisement, and Retention Department located in the Administration building for personal assistance.

If you have an accommodation letter from their office indicating that you have a disability which requires academic accommodations, please present it to me so we can discuss the accommodations that you might need for this class. *It is best to request these changes at the beginning if not before the start of class* so there is ample time to make the accommodations.

Financial Aid:

Attention! Dropping this class may affect your funding in a negative way! You could owe money to the college and/or federal government. Please check with the Financial Aid office before making a decision.

Cell Phones:

Please turn cell phones on silent during class (not vibrate). If your cell phone becomes a distraction for others, you may be asked to leave and counted absent for the day.

Course Correspondence:

Course correspondence will be through TC student email, MyMathLab, or the email you provide when you sign up for MyMathLab. It is the student's responsibility to check his/her email and MyMathLab regularly for any information relating to the course.
