ABSENTEE POLICY

Texarkana College’s absentee policy allows instructors to withdraw a student from a course due to excessive absences. If a student leaves and returns during class or leaves the class before the class is over, he/she **may** be considered absent. Three tardies constitute one absence. It is the student’s responsibility to check the syllabus for each instructor’s tardy policy.

In some workforce/vocational areas, such as nursing and cosmetology, certification requirements necessitate an absentee policy that is more stringent than the institutional policy. In these instances, the matter of certification takes precedence over local policies, since certification policies are established by the State of Texas.

Faculty members **are not** obligated to provide opportunities for students to make-up missed assignments and tests as a result of a student’s absence from class. The institution is not required to take attendance with the exception of workforce/vocational areas, where certification requirements require taking attendance. However, experience demonstrates that regular attendance enhances academic success. As such, students are expected to attend each meeting of their registered courses.

A student should not stop attending a class without formally withdrawing from the course by the institutions published Last Day for Students to Drop. If a student stops attending class after the published Last Day for Students to Drop, the student **may** receive a grade of “F” in the class. The instructor will submit the last date of attendance for students receiving a grade of “F” or “W”.

Withdrawal from a course(s) **may** affect a student’s current or future financial aid eligibility. Students should consult the Financial Aid Office to learn both short and long term consequences of a withdrawal.

EXCUSED ABSENCES

A student’s absence due to school trips and/or school business will not be counted against a student’s allowable number of absences. Military duty and absences for Holy Days (FBD LEGAL) are covered in a separate section of the catalog and the student handbook. These are the only excused absences that are considered by Texarkana College. Responsibility for work missed for any absence is placed on the student. Instructors are required to allow students to make up work missed if the absence is due to military duty* or religious holy days when students follow the correct notification procedures. Instructors are not required to allow students to make up work for absences due to other reasons. Make-up policies are listed in each individual instructor’s syllabus.

**Students interested in Health Occupations should check with the division chair prior to entering the program.*

MAXIMUM ALLOWABLE ABSENCES

After official registration, the following number of unexcused absences will be the maximum allowable before a student **may** be dropped from the class. Mandated program certification requirements detailed for certain programs regarding the maximum allowable unexcused absences takes precedence over the following information.

Academic Classes

A COURSE THAT MEETS FOR THE SUMMER SESSION	
Class or Lab Meets: MWF	An instructor may withdraw a student from a course if absences exceed: 6 (Three tardies count as one absence)

Make-up Policy:

If the student is absent, it is the student's responsibility to make arrangements to complete the assignments within one week of the absence. If a student misses on test day, the test will be placed in the testing center, and the students will have one week to complete the test. If a student is excused for a Texarkana College extra-curricular activity, religious holiday, or military service, the student must receive prior approval from the Dean of Students and the instructor. Assignments must be completed prior to the excused absence.

Academic Dishonesty Policy/Academic Integrity Statement:

Scholastic dishonesty, involving but not limited to cheating on a test, plagiarism, collusion, or falsification of records will make the student liable for disciplinary action after being investigated by the Dean of Students. Proven violations of this nature will result in the student being dropped from the class with an "F".

This policy applies campus wide, including TC Testing Center, as well as off-campus classroom or lab sites, including dual credit campuses. This information can be found in the Student Handbook at <https://texarkanacollege.edu>.

Please contact Tonja Blase at 903.823.3283, or go by the Recruitment, Advisement, and Retention Department located in the Library on the first floor for personal assistance.

If a student has an accommodation letter from the Recruitment, Advisement, and Retention Department indicating that he or she has a disability that requires academic accommodations, the student should present the letter to the instructor so accommodations can be made. ***It is best to request these changes at the beginning if not before the start of class*** so there is ample time to make the accommodations.

Assignment Details***Tests***

Tests will be given over material covered in the textbook as well as lecture and in class material. Several chapters will be tested at one time, as indicated on the class schedule. Tests are a combination of multiple-choice and writing. Missed tests can be made up in the testing center or with the instructor once arrangements are made. The testing center is located in the Palmer Memorial Library on the first floor. During the summer a student must make arrangements immediately to make up any missed exams or they may receive a zero for the assignment.

Final Exam

The final exam will cover all concepts taught during the semester and will be taken during the final week of class. A schedule for final exams is available online in the TC Catalog.

ALL tests must be taken to pass the course. Failure to take tests can result in being dropped from the course.

Chapter and Class Activities

Students will be assigned activities and reading practices from the textbook. These assignments will reinforce readings skills taught in the chapters. Also, these assignments will prepare students for testing. Some assignments will be completed during class, and some assignments will be given for homework. Students will be informed of assignments that will be taken for a grade.

Journals

Students will be assigned journal entries to be written as daily assignments. Each entry should be at least 8-10 sentences in length. The journal will be a response to a reading in the textbook or a prompt provided by the instructor and will help students with reading comprehension, as well as prepare students for writing assignments.

Paragraphs/Essay Writing

Students will write several paragraphs/essay's using the following patterns: Narration, Descriptive, Process, Expository, Compare and Contrast, and Summary. Students will go through the writing process by prewriting, outlining, drafting, editing, and revising each paragraph. The process will be completed in and outside of class time. The paragraphs will be graded for content, organization, development, grammar, and mechanics. The final paragraphs must be typed in a 12 point font and double spaced. The document should include a header with the student's name, 0041, and date. Also, each paragraph/writing should be titled.

If paragraphs/writings are turned in late, ten points will be deducted per day. Failure to complete writing assignments can result in being dropped from the course and/or failure in the course.

Instructor -Student Communication

Students are responsible for monitoring grades during the semester in myTC. Students are encouraged to discuss grades and issue in the course with the instructor. Students who fail to complete assignments and/or lab, have attendance problems, and have inappropriate classroom behavior will conference with the instructor and may be asked to conference with Lisa Jones, Developmental Education Coordinator to discuss options for student success in the course. Texarkana College utilizes an Early Alert System for attendance, and a student may receive an email indicating that he or she has missed a class. Also, a student may receive an email or telephone call from the Director of Retention to discuss absences or other issues a student is having in a course. These systems are in place to help students succeed at TC.
