Your post and your responses must be at least a full paragraph long. Late submissions on the post will not be accepted. Students should read the text for the course prior to making a post or response. Student participation is essential to the learning process, and students are expected to answer questions and engage in professional discussion. This course will cover material involving politics and religion. It is important that you understand some topics might be controversial but are discussed for an academic purpose. Be respectful and professional in your responses. See the listed class schedule for assignment, forum post and test due dates. Prior to beginning, the course students will take the introductory quiz. It is the student's responsibility to ensure they are accessing the course web-based content from a secure location that will not lose connectivity.

Students will complete all assignments and exams through web-based content. All exams will be timed. If you feel you have inadequate time to complete the exam please contact me and arrangements will be made to complete the exam. In the event of losing internet connectivity while completing an exam, you must complete

and submit a LMS Interrupted Test form located in the blue column on the left side of your course homepage. This will notify the Texarkana College Information Technology department of the issue. In addition, you must immediately notify me of the incident. Repeated requests to reopen exams due to losing connectivity will result in a requirement to take exams on the campus.

Students are required to submit an approximately one page essay including an introduction, body and conclusion in response to the Films on Demand video "[Execution: Life and Death Row](#)". The video can be accessed from the link on the course home page. However, if you are unable to open the link it can be accessed from Films on Demand at <http://digital.films.com> using the USER ID: texarkana and PASSWORD: texas, and searching for the video title. The essay should be approximately 1,000 words long and must be posted by 11:55pm.

Students are required to complete a **typed** Informative Essay about a substantial contemporary criminal justice issue that will be submitted as an assignment through the course homepage. The essay must be in MLA or APA format and be a minimum of four complete to six double spaced pages long (excluding title page and works cited page) and consist of at least five or six paragraphs including an introduction, body and closing paragraphs, with a works cited page attached. The essay must contain information from a minimum of three cited sources including but not limited to peer-reviewed articles, books and websites. At least one source must be a peer-reviewed article. Do not use Wikipedia as a source. The essay will be graded on content and a demonstration of investigative effort in developing and expressing the factual information on the issue. Do not merely write a paper about your opinion on a subject or individual. The topic, brief abstract and minimum of three (3) sources for the assignment must be approved by Friday, February 10, 2023, for a grade. The assignment must be submitted through the course homepage for grading no later than Friday, April 21, 2023. There will be no exceptions made for late submissions. You are encouraged to obtain assistance for this assignment from Texarkana College Library staff and me. Additional guidance for the assignment can be obtained from the **Research Essay with Rubric** instructions on the course homepage.

A copy of the article must be submitted through attachment with the response or the article or news program must be cited. The five required responses must be completed in the first three weeks of the semester so watch for due dates.
