Student Behavior Policies and Procedures

Please refer to the Texarkana College Student Handbook for the full list of rules, policies, and procedures related to student conduct. In addition, please note and initial understanding of the following policies and procedures related to student misconduct:

ADDENDUM

Texarkana College strives to provide a safe and comfortable learning environment free of abuse and distractions. At all times, students are required to practice courteous, respectful, and cooperative behavior. When students violate standards of conduct or act in a manner that disrupts the learning process, it is not fair to the students who do act appropriately. Students who do not comply with the policies of the program, college, and/or clinical facilities will face disciplinary action to encourage compliance.

- Students are to address all instructors, personnel, visitors, guests, and classmates with respect and in a professional manner.
- Disrespecting instructors will not be tolerated. Students will be written up and sent home.
- Food and drink during classroom hours are at the discretion of the instructor.
- NO food/drink items are allowed in carpeted rooms or computer labs.
- Cursing, foul, or derogatory language will not be permitted on campus.
- Use of electronic devices, including cell phones, are prohibited during class.

Clinical rotations are considered a class. These must be set on silent or turned off.

- No talking during lectures, exams, or when working on assignments.
- Students are expected to dress in a professional manner for class. NO pajamas, slippers, or clothing with questionable coverage is allowed (i.e. - cleavage, abdomen, and bottom should be always covered).
- Cheating will not be tolerated. Students caught cheating will be subject to disciplinary action after investigation by the Dean of Students. Proven violations will result in the student being dropped from the class with an “F” average.
- No children allowed. A student may not for any reason bring a child to class with them. NO EXCEPTIONS.
- Family members or other acquaintances are not allowed in the classroom or at practicum sites.
- Texarkana College is a tobacco free campus. No tobacco products are allowed.
- Students must strictly follow the Health Occupations drug and alcohol policy.
- Patient confidentiality will be always secure. No patient identifying information will be taken from the practicum site.

Write- Up Offenses

- Electronic devices including cell phones.
- Improper dress and personal appearance
- Leaving class without permission.

- Failure to follow procedures/policies.
- Sleeping during class (Attendance policy will apply)
- Failure to follow the grooming and dress codes for the classroom.
- Failure to notify instructor of absence from a clinical experience before the scheduled start time.

Write up offenses that will include sending student home. (Attendance policy will apply).

- Profanity anywhere in the building or on campus
- Lack of cooperation with instructors
- Disruptive/unprofessional behavior
- Being unprepared for class.
- Failure to adhere to the drug and alcohol policy (Violators may be removed from the program)
- Bringing a child to class.
- Failure to follow the grooming and dress codes for clinical experiences. **This includes wearing artificial nails, nail polish (including clear) or overlay to a clinical site.**
- Meeting with a family member or acquaintance during class time or at clinical.
- Violations of patient confidentiality (HIPAA)

• Actions that pose actual or potential harm to patients (May result in removal from the program) Individual counseling and a write-up will occur with all violations; the student may be placed on probation from the program. All counseling sessions and write-ups will be documented in the student's permanent record. The student will be provided an opportunity to document their account of the violation(s), and this documentation will be retained in the student's record as well. The disciplinary measures implemented are at the discretion of the Program Coordinator and in accordance with written program policies described within this handbook and the Texarkana College Student Handbook. When a student accrues four (4) write-ups/counseling sessions, he/she may be removed from the program without eligibility for re-entry. The student has access through the academic grievance policy for an appeals process for any disciplinary action the student feels is unwarranted or unfair. The academic grievance policy is outlined in the Texarkana College Student Handbook.

ABSENTEE POLICY

Texarkana College's absentee policy allows instructors to withdraw a student from a course due to excessive absences. If a student leaves and returns during class or leaves the class before the class is over, he/she **may** be considered absent. Three tardies constitute one absence. It is the student's responsibility to check the syllabus for each instructor's tardy policy.

Some workforce/vocational areas, such as nursing and cosmetology, certification requirements necessitate an absentee policy that is more stringent than the institutional policy. In these instances, the matter of certification takes precedence over local policies, since certification policies are established by the State of Texas.

Faculty members **are not** obligated to provide opportunities for students to make-up missed assignments and tests because of a student's absence from class. The institution is not required to take attendance except for workforce/vocational areas, where certification requirements require taking attendance. However, experience demonstrates that regular attendance enhances academic success. As such, students are expected to attend each meeting of their registered courses.

A student should not stop attending a class without formally withdrawing from the course by the institutions published Last Day for Students to Drop. If a student stop attending class after the

published Last Day for Students to Drop, the student may receive a grade of “F” in the class. The instructor will submit the last date of attendance for students receiving a grade of “F” or “W”. Withdrawal from a course(s) **may** affect a student’s current or future financial aid eligibility. Students should consult the Financial Aid Office to learn both short- and long-term consequences of a withdrawal.

EXCUSED ABSENCES

A student’s absence due to school trips and/or school business will not be counted against a student’s allowable number of absences. Military duty and absences for Holy Days (FBD LEGAL) are covered in a separate section of the catalog and the student handbook. These are the only excused absences that are considered by Texarkana College. Responsibility for work missed for any absence is placed on the student. Instructors are required to allow students to make up work missed if the absence is due to military duty* or religious holy days when students follow the correct notification procedures. Instructors are not required to allow students to make up work for absences due to other reasons. Make-up policies are listed in each individual instructor’s syllabus.

**Students interested in Health Occupations should check with the division chair prior to entering the program.*

ONLINE/HYBRID/HYFLEX COURSE ABSENCES

Absence in an **online course** is defined as the lack of an active post or submission within the course including discussion board posts, written assignments, and tests. This standard will be used to determine all absentee issues, including but not limited to, 12th Day Census Reports, last date of attendance, and involuntary withdrawal from a course due to absences. All online students must complete an Enrollment Verification activity within the first week of class (activity depends upon the professor); otherwise, the professor **may** drop the student for not having attended. Students must complete at least one activity in their online class per week. Each week in which a student does not complete an activity will be counted as an absence.

If a student is taking a hybrid course, and it does not meet during the first week of class, the student must also complete an Enrollment Verification activity within the first week of class; otherwise, the student **may** be dropped for not having attended.

MAXIMUM ALLOWABLE ABSENCES

After official registration, the following number of unexcused absences will be the maximum allowable before a student **may** be dropped from the class. Mandated program certification requirements detailed for certain programs regarding the maximum allowable unexcused absences takes precedence over the following information.

Workforce Classes

---	---

Students are allowed **3 class absences**. **After 3 absences**, the student is subject to being dropped from the course. Attendance will be taken at the beginning of each class period. If a student is up to 15 minutes late to class, a tardy will be given. Students who are late will be required to sign into the instructor’s attendance folder with the time of arrival. After 3 tardies an absence will be assigned.

Make-up Policy

Students are responsible for contacting the instructor to discuss content and makeup work that is missed during an absence. If an exam is missed, the student must make-up the exam within five (5) class days upon their return. Homework that was assigned prior to a student absence should be turned in on the first day back to class. Late homework assignments will not be accepted, and a grade of zero will be given.

Academic Integrity Statement

Scholastic dishonesty, involving but not limited to cheating on a test, plagiarism, collusion, or falsification of records will make the student liable for disciplinary action after being investigated by the Dean of Students. Proven violations of this nature will result in the student being dropped from the class with an “F”.

This policy applies campus wide, including TC Testing Center, as well as off-campus classroom or lab sites, including dual credit campuses. This information can be found in the Student Handbook at <https://texarkanacollege.edu>.

Disability Act Statement:

Texarkana College complies with all provisions of the Americans with Disabilities Act and makes reasonable accommodations upon request.
