ABSENCE POLICY:

Texarkana College's absence policy allows instructors to withdraw a student from a course due to excessive absences. If a student does not turn in an assignment when it is due, this student will be considered absent.

Faculty members **are not** obligated to provide opportunities for students to make-up missed assignments and tests as a result of a student's absence from class. The institution is not required to take attendance with the exception of workforce/vocational areas, where certification requirements require taking attendance. However, experience demonstrates that regular attendance enhances academic success. As such, students are expected to attend each meeting of their registered courses.

A student should not stop attending a class without formally withdrawing from the course by the institutions published Last Day for Students to Drop. If a student stops attending class after the published Last Day for Students to Drop, the student **may** receive a grade of "F" in the class. The instructor will submit the last date of attendance for students receiving a grade of "F" or "W".

Withdrawal from a course(s) **may** affect a student's current or future financial aid eligibility. Students should consult the Financial Aid Office to learn both short and long term consequences of a withdrawal.

EXCUSED ABSENCES:

A student's absence due to school trips and/or school business will not be counted against a student's allowable number of absences. Military duty and absences for Holy Days are covered in a separate section of the catalog and the student handbook. These are the only excused absences that are considered by Texarkana College. Responsibility for work missed for any absence is placed on the student. Instructors are required to allow students to make up work missed if the absence is due to military duty or religious holy days when students follow the correct notification procedures. Instructors are not required to allow students to make up work for absences due to other reasons.

MAXIMUM ALLOWABLE ABSENCES:

You will be counted present in this class if you complete any of the required assignments for a particular week. Attendance is taken on a weekly basis. You may be dropped if you have more than two absences.

MAKE-UP POLICY:

If you do not complete a test on a test date, you will not be allowed to make up this test and your optional assignment grade will be used to replace this missed test. If you miss more than one test, you will be given a zero on at least one of these tests. Quizzes and problems can only be completed on the date these are assigned and can't be made up. If you miss a test date due to an excused extracurricular activity, you will be expected to communicate this information to the instructor.

ACADEMIC DISHONESTY POLICY:

Scholastic dishonesty, involving but not limited to cheating on a test, plagiarism, collusion or falsification of records will make the student liable for disciplinary action after being investigated by the Dean of Students. Proven violations of this nature will result in the student being dropped from the class with an "F". This policy applies campus-wide, including the TC Testing Center, as well as off-campus classroom or lab sites. Students are furnished this information during Freshman Orientation with the TC Student Handbook.
